

INTEGRATED ACCESSIBILITY STANDARDS POLICY

Purpose and Application

STEM Camp is committed to ensuring equal access and participation for people with disabilities. We are committed to treating people with disabilities in a way that allows them to maintain their dignity and independence.

We believe in integration, and we are committed to meeting the needs of people with disabilities in a timely manner, to the point of undue hardship. We will do so by removing and preventing barriers to accessibility and by meeting our accessibility requirements under Ontario's accessibility laws.

STEM Camp is committed to putting the following policy into practice as required by the Accessibility for Ontarians Disability Act, 2005 and Regulation 191/11 (the "Regulation"). This policy applies to all members of the STEM Camp community including campers, families, employees, agents, volunteers and contracted service staff.

Definitions

Accessible means customer service is provided in a manner that is capable of being easily understood or appreciated; easy to get at; capable of being reached, or entered; obtainable.

Disability means:

1. Any degree of physical infirmity, malformation or disfigurement that is caused by bodily injury, birth defect or illness and, without limiting the generality of the foregoing, includes diabetes mellitus, epilepsy, a brain injury, any degree of paralysis, amputation, lack of physical co-ordination, blindness or visual impairment, deafness or hearing impediment,

muteness or speech impediment, or physical reliance on a guide dog , or other animal or on a wheelchair or other remedial appliance or device,

2. A condition of mental impairment or a developmental disability
3. A learning disability, or a dysfunction in one or more of the processes involved in understanding or using symbols or spoken language,
4. A mental disorder,
5. An injury or disability for which benefits were claimed or received under the insurance plan established under the Workplace Safety and Insurance Act, 1997

STEM CAMP'S MULTI-YEAR ACCESSIBILITY PLAN

STEM Camp is committed to ensuring equal access and participation for people with disabilities. We are committed to treating people with disabilities in a way that allows them to maintain their dignity and independence.

We believe in integration, and we are committed to meeting the needs of people with disabilities in a timely manner, to the point of undue hardship. We will do so by removing and preventing barriers to accessibility and by meeting our accessibility requirements under Ontario's accessibility laws.

STEM Camp is committed to putting these policies into practice as required by the Accessibility for Ontarians Disability Act, 2005 and Regulation 191/11 (the "Regulation"). These policies apply to all members of the STEM Camp community including campers, families, employees, agents, volunteers and contracted service staff.

STEM Camp is committed to developing, maintaining and documenting a Multi-Year Accessibility Plan outlining the strategy that improves opportunities for persons with disabilities, and prevents and removes barriers. The Multi-Year Accessibility Plan will be reviewed and updated by our Leadership Team at least once every 5 years and will be posted on our website. Upon request, STEM Camp will provide a copy of the Accessibility Plan in an accessible format.

Part 1: STEM Camp has committed to and plan to do the following at the indicated times:

2021:

- Reviewed and updated our emergency and public safety information so that it is accessible to the public, as well as developed a process for responding to requests and supports;
- When necessary, we provided and continue to provide individual plans to help employees who have disabilities during an emergency, or emergency information that is formatted so an employee who has a disability can understand it.
 - We continue to review our emergency information; each summer we determine which employees require this help; we are prepared and ready to provide this information to these employees in an accessible format if required; and have systems in place to follow up with these employees periodically to ensure that their needs are being met with respect to accessing this emergency information in the accessible format that they would benefit from.
- Created policies and procedures for each standard (which included developing a statement of commitment, assessing our current accessibility policies and identifying and addressing any gaps and updating any policies accordingly);
- Created a Multi-Year Accessibility Plan which is to be updated at least every 5 years;
- We take the needs of our employees with disabilities into account with our performance review processes to help with performance management.

2022-2025:

- Train all staff, and continue to do so, on what they have to do under the IASR and on aspects of the Human Rights Code that relate to accessibility (these trainings will take place during our staff training in June each summer as well as during planned visits throughout the summer);
- Make our feedback processes, like surveys, more accessible for those that require and request the accessible format;

- Make information about our camp's goods, services and rental facilities accessible and available for those that requested it in the accessible format;
- Put in place systems that notify employees, potential hires and the public that accommodations can be made during recruitment, assessment and selection processes for people who have disabilities;
- Put in place systems that notify new hires and staff of policies for accommodating employees with disabilities;
- Put in place a written process to develop individual accommodation plans for employees with a disability;
- Completed and submitted the government accessibility report;
- We continue to identify strategies to prevent and remove additional barriers in our camp setting/programming.
- Working towards ensuring that by 2021 we will have all internet website content to conform with WCAG 2.0 level AA (excluding live captioning and audio description).

Part 2: STEM Camp's strategy to prevent and remove additional barriers:

- We are committed to ensuring that we review and update our Multi-Year Accessibility Plan at least every 5 years.
- We will work with our IT support team to ensure that by 2021 all of our website content will conform with WCAG 2.0 level AA (excluding live captioning and audio description unless time/finances allow us the ability to address these areas too).
- We will complete and submit our next government accessibility report in 2023.
- We will continue to assess our programs/site/communication and customer service to identify and address/prevent any additional barriers that may arise.

- We will continue to consult with our families/staff/campers/alumni and others with and without disabilities to ensure that our Accessibility Policies and Plans are relevant and meet the needs of all. Any policy of STEM Camp's that does not respect and promote the dignity and independence of people with disabilities will be modified or removed.

Training

STEM Camp will ensure that training is provided on the requirements of this Integrated Accessible Standards Policy and on Human Rights as they pertain to persons with disabilities. Training will be provided to every person who is an employee of STEM Camp; every person who participates in developing our policies; and all third parties who provide goods, services or facilities on our behalf. This training will be provided as soon as possible after the employee is hired; on an ongoing basis in connection with changes to this Policy; and in a way that best suits their learning needs and the duties of the employee/third party. STEM Camp will keep a record of all training that it provides under this policy.

Information And Communications

Feedback

STEM Camp accepts feedback from the public in a variety of methods including:

- Phone
- In person
- Social Media Channels
- Email
- And, through feedback forms such as surveys

All feedback, including feedback regarding good services and facilities, is welcome and will be reviewed and addressed by the Director of Operations, Camp Director or Executive Director, who can be contacted by email at

support@stemcamp.ca or by calling (519)475-6600. We will ensure that the feedback process is accessible to persons with disabilities by providing, or arranging for the provision of, accessible formats and communication supports, upon request. A response will be provided in a timely fashion. Complaints, if/when they arise, will be addressed in a timely fashion by our Customer Service Manager and Leadership Team depending on the nature of the complaint.

Accessible Formats and Communication Supports

Upon request, STEM Camp will provide, or will arrange for the provision of, accessible formats and communication supports at no increased cost, for persons with disabilities, in a timely manner that takes into account the person's accessibility needs. STEM Camp will consult with the person making the request as well as, notifying the public about the availability of accessible formats and communication supports.

Accessible Websites and Web Content

STEM Camp will ensure that its website, including web content, conforms to the World Wide Web Consortium Web Content Accessibility Guidelines 2.0, as required by the Regulation, except where this is impracticable or represents undue hardship.

Employment

Recruitment and Potential Employment Screening Process

STEM Camp will provide notification to the public that in its recruitment process, accommodations are available for applicants with disabilities. STEM Camp is committed to employment equity and encourages all qualified candidates to apply. If an applicant requires an accommodation at any point during the hiring/employment process they are encouraged to let the camp know that this is the case and inform the camp to the type of accommodation they require so that

the camp can work with them to meet their needs. Applicants are also reassured that all responses will be handled with strict confidence.

Notice to Successful Applicants

When making offers of employment to the successful applicants, STEM Camp will notify the applicant of its policies of accommodating employees with disabilities. The information that accompanies the contract indicates the following: STEM Camp has an accommodation process in place and provides accommodations for employees with disabilities. If you require a specific accommodation because of a disability and/or a medical need please contact Customer Service at (519) 475-6600 or by e-mail at support@stemcamp.ca so that arrangements can be made for the appropriate accommodations to be in place before you begin your employment.

Informing Employees of Supports

STEM Camp will inform its employees of its policies (and any updates to those policies) used to support those with disabilities, including policies on the provision of job accommodations that take into account employee accessibility needs due to a disability. This information will be provided to new employees as soon as practicable after they commence employment.

STEM Camp has a return to work process for its employees who have been absent from work due to a disability and who require disability-related accommodations in order to return to work. The return to work process outlines the steps STEM Camp will take to facilitate the return to work and will include documented individual accommodation plans as part of the process in accordance with the requirements of the Regulation.

Where an employee with a disability requests it, STEM Camp will consult with the employee to provide accessible formats and communication supports for:

information that is needed to perform the employee's job and information that is generally available to all of our employees.

If needed, STEM Camp will provide individualized workplace emergency response information to employees with disabilities.

For more information on this accessibility plan and/or to provide feedback, please contact Customer Service at (519) 475-6600 or by e-mail at support@stemcamp.ca.

Accessible formats of this document are available for free upon request by contacting Customer Service at (519) 475-6600 or by e-mail at support@stemcamp.ca.
